

Christmas Day at Hutt St Centre

Christmas is one of our busiest and most special times of the year. Learn how your kindness and giving helps us share the joy of Christmas Day with people experiencing homelessness.

Christmas crackers, place mats, cakes, and a tree set a jolly mood.

Festivity is embraced to the full to bring joy to people without a home. Lots of tinsel, bright decorations, and colourful Christmas trees set a jolly mood in Hutt St Centre's dining room.

Our friendly team of volunteers and staff are ready with warm smiles to spread festive cheer and greet more than 200 people on the morning of Christmas Day. Many volunteers give their time every year.

Every person who walks through our doors receives a wrapped present and card. The simple act of unwrapping a gift to discover what's inside is very exciting!
